By A. R. Glaisyer

The every baseball team in the Kauai Athletic Association has not met every other team as yet, enough games have been played to give an interested observer some idea of the teams and in a way to hazard a fore cast.

The first day of the league saw Kilauea defeat the K. A. C. by a much larger score than was anticipated. Lihue beat Koloa in a double header, at the Lihue grounds. The last defeat was not surprising to the fans as Koloa had been unable to get up her full quota of players and a number of her best are still absent.

The sensation of the day was the defeat of the Makaweli team by the Eleeces on the former home ground. This was most remarkable, when it is considered that for two consecutive Sundays before, Makaweli had won by large scores with only half the regular team. The only excuse to be offered was that the game was played in a rain and that's not much of one.

The 23rd of April saw the K. A. C.'s go down to defeat before Lihue. Koloa to Eleece and Makaweli took her first game by defeating the Homesteads who that day played their first game. The weather conditions were bad which accounted for large scores on all grounds. The plucky playing of the homesteaders evoked much favorable criticism while the Eleece, Koloa match was very disappointing not only from the stand point of the game, but the lack of interest in even trying to help the league out peculiarly the receipts being nil.

April 30 saw Lihue keep up her winning streak by defeating the Eleeces in a hard fought game at Lihue.

Makaweli defeated Koloa by a score of 20 to 5 on her home ground, while the undoubtedly on of the day, was the of the Kilauea's on their grounds by the farmers from Homesteads by a score of 5 to 2. This game was won by team play on the part of the Homesteads and possibly to over degree confidence on the part of the Kilaueas.

This left the standing of the teams as follows: Lihue 1st, Makaweli and Eleece tied for second, Homestead and Kilauea tied for third and Koloa and K. A. C. battling for the bottom of the column.

Sundays game saw a complete change in the leaders, as Lihue's serious flag was trailed in the by the conglomerate at Makaweli, to a tune of 14 to 4. Kilauea defeated Eleece at Lihue, and the "Farmers" continued their winning streak by jumping on the K. A. C.'s and pounding out a score of 5 to 4 in one of the best games of season.

This leaves the present standing of the clubs as follows:

Makaweli and Lihue tied for first place, Homesteads and Kilauea, tied for second, Eleece next and the same tail enders.

LIHUE

The Eleece-Kilauea game started at good and continued until the 7th inning when the heavy hitting of the K's began to pile up scorers. The fielding of the Eleeces on the hole was poor tho' two good doubles were made 2nd base to Hernandez at first, Johnson in the 10th was noticeable for some pretty work, and is no slouch with the stick. The brothers Akana on the Kilauea team showed up in fine form at the bat and their base running was the feature of the day.

The Eleece's show the need of regular practice and as soon as they get this will have to be taken into serious consideration for the cup as they have an abundance of good material to work up.

MAKAWELI

For a clean sporty game this is one of the best of the season. True the score was large but this was due to the pretty batting of the Makaweli Blue's who were able to hit the ball at the psychological moment, and in the right place not to errors on the part of Lihue boys.

The weather conditions were excellent with the exception of the wind which made it hard sometimes to judge flies. The appearance of the teams was good, the blue and gold of the home team and cardinal and white of the Lihue's pleasing the eye and giving a truly "big league" aspect to the grounds. The crowd was large and very enthusiastic, and many number of automobiles were on the ground. A large contingent was expected from Lihue but they did not show up which left the "rooting" very one sided there being one lonely

Lihue fan there.

The game was called at 1 p. m. with Makaweli at the bat. The slow delivery of Wm. Makanani was very puzzling to the M's at first, but owing to his not varying from the one ball they finally found him.

The game was won by Makaweli bunching their hits in the 6th inning to a tune of 8 runs. The base running of Costa and Akina was fine, executing two double steals.

Costa pitched a fine game and Furtado did some heavy work behind the bat. Akina at first and Hoffman at second played an errorless game. Rankin in left field showed up fine, and did some pretty work with the stick.

For the Lihue the pitcher Wm. Makanani, played a heavy game, and the catcher played an errorless game. The work of John Malina at first was without a flaw, and an attempted steal of his from third was very pretty and neatly accomplished being a very close decision. Second base was also covered in fine shape manner and bases were run very well. The Lihue boys are good snappy players and were very highly praised for their clean gentlemanly game, on this their first game away from the home grounds.

The one thing they need is more team practice and if they get this it is hard to see why they should not come out on top.

The next time these teams meet will be in Lihue and it is bound to be one of the games of the season as they are battling for first place now and probably will then.

Taking everything into consideration it looks now as tho' the battle for the cup should be between Makaweli and Lihue, with Kilauea close and Eleece and Homesteads a fighting chance.

All teams show the need of practice very badly, as the individual line up is nearly equal on the teams, and the one that does the most practice is going to win out.

According to the last games played next Sunday's games, should be won by Makaweli at Kapaa, Kilauea at Koloa, and Lihue against Homesteads at Lihue. Should any of these lose to the tail enders it will cause a great shifting in the per centage column next week.

The K. A. C. - Homestead game marked the formal opening of the new Kapaa Public Park. Every thing went off with eclat, the Kila Brass Band being present to drown the sound of the "rooters."

Unfortunately only a small crowd turned out owing to a heavy rain at 12:30.

The game was fast and snappy, being characterized by hard hitting and clean fielding on the part of both teams.

The K. A. C. showed great improvement on their previous form, and the Homesteads lived up to their reputation. Two good doubles were made one by each team 2nd base to 1st returning two men.

The game has been protested by K. A. C. on purely technical grounds will be decided at the first meeting of the Board of Directors.

Both teams according to report were guilty of a little mudslinging and it is hoped that this will not be noticed in the future. Next week Makaweli and K. A. C. will be a good game.
